

BAEOP NEWS FLASH

Bellevue Association of Educational Office Professionals

Raffle Basket

BAEOP is again sponsoring a Raffle Basket to support our Scholarship Fund. This year we have one basket that is “jam packed” with lots of items (see flyer for list of items). Tickets are being sold at each building and are available from the office manager, any BAEOP member or you can also contact Christina Large, the Raffle Coordinator (X4200).

Attached is the flyer for our Spring General Membership meeting on April 27th. We will be taking care of a few business items, elections, approving the proposed budget for 2006-2007 and meeting our scholarship winner for this year. Following our brief business meeting, we will hear from Rich Moothart, who was an insurance investigator for twelve years. He will discuss insurance fraud and “How to Protect Yourself and Your Family in the Event of an Accident.” A no-host dinner will follow for those who care to join us. It is sure to be fun and informative. Hope many of you plan to join us.

BAEOP Website

After several months of working on our website, we can now say it is fully operative. Since our website is for the members and potential members of BAEOP, we would like to hear from you. Please take a few moments and view our new website (www.baeop.org). Let us know what you think. If there is something else you would like to see included, we are open to suggestions.

WAEOP Spring Conference

The annual WAEOP Spring Conference is being held on April 20-22 at the Pasco Red Lion. This year’s theme is “A Piece of the Puzzle – A Part of the Solution.” A printable flyer can be found on the BAEOP website (www.baeop.org). Professional Development Funds are available for those covered under the AISP Bargaining Agreement. It will pay your registration fee to attend the WAEOP Conference’s as long as prior approval is obtained. Kathleen Gleich (4074), can send you the appropriate forms and can also answer any questions you may have about the Mini-Grant, which is available for professional development purposes.

Recycling Projects

As many of you know, BAEOP is recycling printer cartridges, newspaper and aluminum for our Scholarship Fund. There are newspaper containers at ESC and at Robinswood School for you to donate your recycled newspapers. If you have aluminum cans to recycle – contact Wendy-Jean Fischer (4141) to make appropriate arrangements.

We are also recycling retired cell phones, with proceeds going to support our General Fund. If you would like more information on recycling cell phones or printer cartridges, please contact Kathleen Gleich (4074) or Paula Jo Brave (4510) for more information.

Professional Standards Program

The BAEOP members are encouraged to achieve recognition through the PSP program. This is a professional development certification for office employees working in a school district environment.

Bellevue School District provides a stipend to those employees meeting the standards established by the National Association of Educational Office Personnel Professional Standards Program.

We are willing to help anyone interested in meeting the upcoming PSP deadline. We can meet with you individually or as a group. Contact our PSP Committee Chair, Marie Vieth (7040) for more information.

*Next PSP Filing Deadline is May 15.
Let us know if you we can be of assistance!*

Election Time!!

It is that time again, when we are looking for people willing to serve BAEOP in various positions for the 2006-2007. It is an opportunity to get involved, have fun and make new friends in the process. Call me if you are interested in being of service in any of the positions listed below.
