

EXTRA \$ OPPORTUNITY

BAEOP is hosting a PSP workshop, where you will be given an overview of the Professional Standards Program (PSP).

PSP is sponsored by NAEOP (our parent organization) and supported and encouraged by BAEOP (your local professional association).

The information you will receive at the workshop, will help you complete your PSP application. Once your application is completed and you qualify for a PSP certificate, you will receive a monthly stipend on your paycheck, like so many other BSD employees are already doing.

This stipend has been made possible through negotiations between BSD and SEIU. ALL members of the SEIU/AISP Bargaining Group are eligible to apply for a Professional Standards Program Certification and once they qualify, they will receive the corresponding monthly stipend.

**Join us at the PSP Workshop on May 8th
from 3:00pm to 4:00pm
at Odle Middle School, Room 149**

PLEASE RSVP TO PAULA JO BRAVE (BRAVEPJ@YAHOO.COM) IF YOU ARE PLANNING TO ATTEND AND/OR IF YOU HAVE ANY QUESTIONS.

Whether you are new to the district or a long-time employee, or even if you have previously attended a PSP workshop in the past, we encourage you to attend and get information that will help you complete your PSP application and qualify for your PSP certificate.
